

# Topic Design Worksheet

## Human Rights Theme 2005

Fill in the sheet below with your group's topic for your Webquest. Attach any notes and/or Concept Maps which you may have developed in your Brainstorming sessions. Put in as much information as you can so that I can see exactly where you plan on going with the topic and can then give you as much feedback and help as possible.

**Possible topics: ideas that you had in your Brainstorming sessions.**

**Topic that you have chosen to progress with. Why have you chosen this topic?**

**What is the question for this Webquest?** ie. What are you wanting the students to learn/understand by doing your Webquest?

**What are the 4 different roles?** Give an outline of the roles statements. ie what are you asking the students to do?

**What is/are the assessment task/s the students will produce?**
